these commentaries address many of the bible s secrets that have been waiting literally centuries to be revealed some of these commentaries address information that has been misunderstood the scripture reveals why this generation is unique above all others the significance is amazing information in this book will be controversial to some because it challenges some of the myths that are still being perpetuated i found it amazing how god targeted the 1948 generation from the time of the birth of abraham to be the last generation to reveal the consummation of the age and we are living in it right now i found it amazing that the united states has been kept hidden in prophecy until it was time for it to be revealed the prophecy even reveals the invasion and occupation of the country these things and many others are disclosed in these commentaries

although there have been critics of scripture in general and the book of daniel in particular since the earliest times the attacks became more frequent and vocal with the emphasis on science which blossomed and grew during and after the enlightenment of the 18th century only that which could be observed and experienced through one s natural senses was of importance the supernatural was to be doubted consequently in view of the accuracy of the specific events foretold to daniel regarding the 70 weeks 490 years determined upon his

people and the holy city many commentators claimed the book was really written centuries after daniel s time in other words they considered the book an historical account clothed in the garb of prophecy yet christ attributed the authorship of daniel to the person whose name it bears cf matt 24 15 mark 13 14 the prophecy of the 70 weeks has engaged the attention of the wisest and the best of commentators for many centuries yet the exact dates of the events foretold have never met with any consensus although it contains what no other prophecy contains a prediction of the time when the messiah was to be crucified the date has never been exactly computed to the satisfaction of all concerned as such this book presents three typical interpretations of the 70 weeks 1 an amillennial explanation 2 a prophetic or lunar year interpretation and 3 a common or solar year analysis the main difference of opinion lies in the nature of the 70th week the last seven years of the prophecy the amillennialist is convinced that god has no future plans for the jewish nation apart from a future judgment and consequently sees the entire prophecy fulfilled at the time of christ or at least no later than the destruction of jerusalem in 70 a d the dispensationalist on the other hand believing god is not finished with his chosen people sees the final week as yet in the future the fulfillment of which will take place during the great tribulation as described in the book of revelation

bible prophecy is a problem for many people they don t understand what they read so they give up in frustration or they misunderstand what they read and draw wrong conclusions but god spoke of the future in scripture to guide and encourage us so that we would be prepared for what is to come he will not be surprised by tomorrow

the world is uneasy with the united states election of donald trump as its forty fifth president one could not help but marvel at his ascendancy to the presidency after publicly breaking every norm and social mores that polite society holds dear the name donald means world ruler and no he is not the antichrist but he is a man of destiny open a king james bible and read daniel chapter 8 with a dictionary and you cannot help but see that he is the prophesied king of the west who at the time of the end will fulfill the prophecy in making his nation very great daniel 8 9 televangelists are failing to inform their audiences of this prophecy that once served to predict the rise of alexander the great as a mighty western grecian king who would conquer the mideast that no one could withstand putting europe on the map as a force to be reckoned with the prophecy states of itself that it will again serve at the time of the end to identify a king of the west with the disposition of a he goat that no nation will be able to withstand as he makes his nation very great prior to and unthinkable event that will occur that cause four nations to vie as superpowers in the in the latter times of their kingdom of whom one will arise that daniel indentifies as the little horn known to christians as antichrist daniel 8 9 the prophet daniel famous for interpreting the handwriting on the wall in babylon called iraq today is the same daniel of the lion s den who wrote of a prophetic vision he for an appointed time the time of the end he had this vision in front of a river in iraq his dual purposed vision points out that in the end times a strong leader of the west whom he identifies as king with the character of a billy goat will be known for his stubborn personality the prophet wrote that this king of the west calling him in parable a he goat who will be moved with choler webster s defines choler as a ready disposition to irritation 2 irascible marked by a hot temper and easily provoked to anger oxford dictionary defines being moved with choler as a peevish temperament easily provoked to anger daniel forecast that at the time of the end this king of the west will be moved with choler as his ire is stirred against persia called iran since 1936 daniel 8 5 the first portion of daniel 8 is in parable form describing the western leader launching an air attack as a he goat whose feet touched not the ground as it tackles a ram having two horns later in the chapter describing daniel s parable reveals

that the two horns as the kings of media and persia iran daniel prophesied that at the time of the end a king of the west will trample the leaders of iraq and iran into the dust on september 11 2001 a king of the west was caught flat footed when he was reading a children s book my pet goat to school kids in florida when his nation was air attacked later this western leader president george w bush under his motto stay the course initiated an unprovoked attack on iraq in a war called iraqi freedom leading to its dictator i e king according to daniel saddam hussein being toppled in death in 2003 this was the first stage of daniel s prophecy presently in 2017 this war still endures because daniel predicted that the west s attack near the territory of media conquered by alexander must also topple persia s iran s leader however when this he goat leader from the west defeats persia iran daniel writes that his nation will become very great after this king of the west destroys this second king being iran s leader daniel 8 8 now god has positioned this man named donald meaning world ruler trump as the king of the west in these end times and has established him with a goat s stubbornness that has served him well in ascending to the office of president of the united states under the motto make america great again
